SUMMARY

I am a highly motivated front-end developer with a Master's in English Language and Literature and over two years of experience as a System Analyst at Foiwe Info Global Solutions Pvt Ltd. With a solid foundation in the latest web technologies and trends, I bring a proactive attitude and a strong willingness to learn. I am actively seeking new opportunities where I can contribute to projects and further expand my skill set. My enthusiasm and dedication make me a valuable candidate for roles requiring both technical expertise and a keen eagerness to tackle new challenges.
